**To:** Detroit Board of Police Commissioners (Through Channels)

**Subject:** **B.O.P.C. PRESENTATION – SECOND PRECINCT, JUNE 10, 2021**

**From:** Commander Brian Mounsey, Second Precinct

The Second Precinct encompasses roughly 10.25 square miles. We have a population of about 58,000 residents (2010 Census Data). City Council Neighborhood Districts 1, 2, 6 and 7 fall within the precinct boundaries. There are approximately 136 officers of various ranks assigned to the Precinct, working in assignments such as patrol, special operations, Cease Fire, traffic enforcement, investigations and community relations.

Community Relations is very important within the Second Precinct. Our precinct is very engaged with Community Associations such as the Barton McFarlane Association, Littlefield Association, Hartwell Block Club, Second Precinct Community Relations Council, Happy Homes Block Club and Detroit Association of Black Organizations (D.A.B.O). We have six dedicated Neighborhood Police Officers (NPOs), along with a Community Relations Sergeant, to address various issues that arise in the community and coordinate activities. We are partnered with many community stakeholders in an active Business United with Officers and Youth (B.U.O.Y.) program that support events that we hold throughout the year (i.e. National Night Out, Halloween Candy Give-Away, Easter Egg Hunt, Police Week, School Supply Give-away, Senior Movie Night).

Strategies such as restore orders are currently being implemented at the Second Precinct and are successful at removing illegal guns from the street by putting officers in high crime areas doing constitutional pro-active enforcement.

Despite assaultive and other violent crimes being on the rise, robberies have seen a significant decrease this year over last. This downward trend of robberies over the past three years has shown a reduction of 29% since 2018 and a 30% reduction YTD over this period last year.

#### **Property Crimes**

The Second Precinct has seen tremendous success this year in the reduction of property crimes. Property Crimes are currently down by 27% over this time last year and every part one property crime has seen a reduction this year compared to the same period of 2020 (Burglary -34%, Larceny Motor -29%, Vehicle Theft -20%)
